Dear parent/guardian,

RE: C.E.O'S LETTER TO PARENTS

On behalf of the board of directors, the management and staff, we greet you and pray that God is covering you and your families during this period of COVID 19 pandemic.

We thank you for your continued support by allowing our bold teachers to engage our beautiful learners in our online lessons dubbed Daraja.

Please refer to my newsletter dated 3rd May 2020. I indicated that the online payment was to form part of term two fees. The expectation was that we were to open for term 2 in June 2020. However, as you are all aware, the Ministry of Education pushed the probable date for schools reopening to January 2021.

Therefore, with this in mind, the online fee levied per month from May 2020 henceforth is payment towards online learning as per the Daraja category option chosen.

We thank you once again for your support that has gone a long way in having the learners engaged and supported both the teachers and the school.

We are humbled and we will always be indebted. We call upon you for further support in the remaining months starting August, when called upon by our headteachers.

PS: For parents who had overpaid in term 1 2020 or had prepaid for the following term(s) the amounts will be credited and will reflect in the statements for term 1 2021 that shall be emailed to you. The camp fees for Teenzalive13 and 14, scouts camp and Preteens voices will also be credited as school fees on school resumption.

If you have not forwarded your email address to us, kindly do so through the headteachers on; 0777 706036 / 0777706017 / 0777 706034. Send a text indicating the name of your child, class, and your email address.

Thank you once more. I wish you all the best, God's favour, blessings, and protection during this difficult time.

For further clarification, do not hesitate to engage me. Stay blessed.

Yours faithfully,

Mr. S.G Kimani
